Arts and Culture Evenings:

A large number of students in our school are currently preparing performances in anticipation of a big night of entertainment in the final week of this term; the Arts and Culture Evening.

These are fun nights of entertainment designed to enable young people to take the stage in all the different areas of the Performing Arts. The evenings will showcase the many different groups and individuals engaging in different areas of the Performing Arts throughout our school; both within and outside the classroom. Students aged from 6 to 17 will be singing, dancing, acting, playing musical instruments, performing their poetry and parading wearable art, in a diverse and imaginative array of acts. There are many behind the scenes duties too, such as directing, lighting, sound and back stage, which are administered by students who are keen to extend their skills and experience.

Many of the school's different classes and groups will feature in the event. These include students from our Music and Drama classes, our Junior and Intermediate classes, and various groups and individuals, including The Ukulele Group, Dance Groups, Afterschool Drama, various bands, singers and soloists. Many of them performing their own original material.

The Arts are alive and active at Onewhero. Come along and experience them up close.

The Arts and Culture Evenings will take place on Wednesday 5th and Thursday 6th of July at 6.30pm, in the School Hall
